

Electric Aggregation Supplier

The Village of Gridley selected Homefield Energy to serve as its Electric Aggregation Program supplier. Gridley residents have the option to participate in this program that provides energy cost savings. The contract with Homefield Energy locked in a rate for the village from June 2018 through June 2021.

There is no cost to join. All Gridley residents are automatically enrolled unless you opt out. You may opt-out by contacting Homefield Energy directly.

Additional information and a sample opt-out letter can be found on Homefield Energy's website at www.dynegy.com/homefield.
